patients' treatment and counseling.

Dr. Deepshikha Chaudhary, the in-charge of the Primary Health Center, reported that the 120 TB patients adopted by the university have been under regular monitoring, and the majority of them have now fully recovered. She further noted that the TB recovery rate in the district has risen to 96 percent.

During the program, nutritional kits containing chickpeas, peanuts, *sattu*, and Glucon-D were distributed to over 25 patients. Amamath Pandey, Padma Devi, Sunil Yadav, and Prem played active roles in organizing the nutritional kit distribution program. District TB Officer Dr. Sandeep Shukla, Dr. Arvind, Dr. Aditya, along with other health workers and members of the university fraternity, were present on this occasion.

Cleanliness Awareness Campaign Conducted in Mumtaz Nagar on Gujarat Foundation Day

Students Spread the Message of Cleanliness Under the Unnat Bharat Abhiyan

Ayodhya, May 1, 2026. On the occasion of Gujarat Foundation Day, Avadh Univer-

University students, NSS volunteers, teachers, and villagers participating in the sanitation awareness march and cleanup drive organized in Mumtaz Nagar.

sity, Ayodhya, organized a sanitation and awareness program in Mumtaz Nagar—a village adopted under the *Unnat Bharat Abhiyan* (Advanced India Campaign). Held under the guidance of Vice-Chancellor Dr. Bijendra Singh, the event

witnessed enthusiastic participation from students, NSS volunteers, teachers, and villagers. As part of the program, an awareness march (*Padayatra*) was conducted, during which students sensitized the villagers about hygiene and health through various slogans related to

sanitation. Subsequently, a cleanliness drive was carried out involving *Shramdaan* (voluntary labor) at the temple premises and various public spaces throughout the village. Dr. Bijendra Singh remarked that sanitation is not merely a campaign, but an integral part of one's lifestyle. He emphasized that the goal of a clean and healthy India can only be achieved through the active participation of society.

The event was attended by Prof. Surendra Mishra (Nodal Officer, *Unnat Bharat Abhiyan*), Dr. Dinesh Kumar Singh (NSS In-charge), Village Head Shivshankar Maurya, and Chandrashekhar Tiwari, alongside members of the university and school fraternity, as well as a large number of villagers.

fectured centers at other designated venues. Furthermore, based on reports submitted by the mobile inspection squads,

several other centers in Ambedkarnagar have also been rescheduled—a change

that will come into effect starting May 7. Vice-Chancellor Dr. Bijendra Singh issued directives to the Center Superintendents

to conduct the examinations in a transparent and malpractice-free manner, in strict accordance with the government's mandate. He emphasized that there would be absolutely no compromise regarding the sanctity and integrity of the examination process.

Examination Controller Vinay Kumar Singh stated that the examinations are being conducted under the continuous surveillance of CCTV cameras. This year, a total of 536,704 candidates are appearing for the examinations, for whom 472 examination centers have been established across five districts. Additionally, 19 nodal centers have been designated for the collection of answer sheets.

Unsustainable Consumption is the Primary Cause of Environmental Crisis

Ayodhya, May 02, 2026. On the seventh day of the 12-day Faculty Development Program—organized at Avadh University under the joint aegis of the IQAC and the Shiksha Sanskriti Utthan Nyas—Prof. Anoop Kumar Singh, Principal of PPN PG College, Kanpur, delivered a lecture on the topic "Environmental Ethics in Indian Philosophy and Contemporary Policy Implications." He stated that nature conservation is the moral duty of every

individual, and that the primary causes of the environmental crisis are unbalanced consumption and the misuse of resources. He highlighted Indian philosophy—specifically the principles of Jainism, self-restraint, coexistence, and the concept of sustainable development—as being highly relevant to environmental conservation. Faculty members and research scholars participated actively in the program.

Rao discussed water quality, the use of bio-enzymes, and their role in environmental conservation. Faculty members, research scholars, and participants actively participated in the program.

Lord Krishna's Philosophy of Life Remains a Guiding Light for Humanity Today: Vice-Chancellor Dr. Bijendra The Avadh University Community Watches the Film 'Krishnavataram'; Deliberations Held on the Indian Knowledge Tradition

Ayodhya, May 15, 2026. Under the leadership of Vice-Chancellor Dr. Bijendra Singh, a special cultural evening was organized for the university community at Dr. Ram Manohar Lohia Avadh University. Officials, faculty members, and staff collectively viewed the mythological and cultural film *Krishnavataram Part-1: Hridayam* at the cinema hall located within the local Avadh Mall.

Vice-Chancellor Dr. Bijendra Singh, along with university officials, faculty members, and staff, during the screening of the film 'Krishnavataram Part-1: Hridayam' at the local Awadh Mall.

Speaking on the occasion, Vice-Chancellor Dr. Bijendra Singh stated that Lord Shri Krishna is not merely a religious icon but a "Jagadguru" (Universal Teacher), whose life conveys a message of justice, diplomacy, love, and the establishment of *Dharma*

(righteousness). He remarked that such films serve as an effective medium for connecting the new generation with India's knowledge traditions, moral values, and cultural heritage.

Registrar Vinay Kumar Singh highlighted the significance of the maxim "Yato Dharmastato Jayah" (Where there is righteousness, there is victory), noting that the harmonious blend of

Dharma and knowledge establishes equilibrium within society. Prof. Himanshu Shekhar Singh discussed the ancient architecture and scientific perspectives associated with Dwarka, while the Dean of Student Welfare, Prof. Neelam Pathak, described the film as a work that effectively links Indian culture with the values of respect for women.

During the event, faculty members and staff alike lauded the thematic content of the film. A large number of officials, faculty members, and staff were present on this occasion, including Finance Officer Purnendu Shukla, Prof. S.S. Mishra, Prof. Ashutosh Sinha, Prof. C.K. Mishra, Prof. Farrukh Jamal, Deputy Registrar Dr. A.K. Gautam, and Dr. Reema Srivastava.

No CCTV Found in Examination Hall During Vice-Chancellor's Surprise Inspection; Action Taken

"The Sanctity of Examinations Will Not Be Compromised": Dr. Bijendra Singh

Ayodhya, May 12, 2026. Colonel ate and postgraduate even-

Vice-Chancellor Col. Dr. Bijendra Singh inspecting CCTV cameras at Nandini Nagar PG College, Nawabganj (Gonda).

Dr. Bijendra Singh, Vice-Chancellor of Dr. Ram Manohar Lohia Avadh University, conducted a surprise inspection of Nandini Nagar PG College, Nawabganj (Gonda), in connection with the undergraduate

semester examinations. During the inspection, it was discovered that no CCTV camera had been installed in Room No. 03—where the B.Sc. Sixth Semester Chemistry examination was being held—thereby

casting doubt upon the transparency of the examination process.

Acting on the Vice-Chancellor's directives, the conduct of all future examinations in the said room was suspended, and the results of the examination in question were withheld pending the completion of an inquiry. The Vice-Chancellor emphasized that the integrity and transparency of examinations constitute the highest priority and that no form of negligence will be tolerated. Additionally, inspections were also conducted at Mohanlal Verma Educational Institute, Barabanki, and Saket PG College, Ayodhya, during this period.

On World No Tobacco Day, the Vice-Chancellor Administered the Pledge for a Tobacco-Free Campus Healthy Youth Form the Foundation of an Empowered Nation: Dr. Bijendra Singh

Ayodhya, May 31, 2026. On the occasion of World No Tobacco Day, at Dr. Ram Manohar Lohia Avadh University, inspired by the Chancellor and Governor Anandiben Patel, Vice-Chancellor Dr. Bijendra Singh administered a pledge

to students, teachers, and staff members to make the campus "Tobacco-Free." Speaking on this occasion, he stated that this is not merely a ceremonial pledge, but a collective commitment toward health, a clean environment, and a secure future for coming generations.

The Vice-Chancellor remarked that educational institutions serve as centers that provide direction to society. If we are to build a healthy and empowered nation, it is essential to ensure that the youth remain free from addiction. He emphasized that tobacco consumption adversely affects the individual, the family, and society alike; therefore,

launching awareness campaigns against this menace is the need of the hour.

He further added that the university's students and teachers are the agents of change within society. A tobacco-free campus will serve as an inspiration for society at large to combat this social evil. Indeed, only a healthy campus can lay the foundation for a prosperous and developed nation. Present on this occasion were Chief Proctor Prof. S.S. Mishra, Prof. Himanshu Shekhar Singh, Prof. Mrudula Mishra, Prof. Ashutosh Sinha, Prof. Shailendra Kumar Verma, Prof. Vinod Kumar Srivastava, Dr. Abhishek Singh, Dr. Rajesh Kumar Singh, Surendra Kumar, Gyanendra, Dharmaraj, Ramashish, NCC cadets, and members of the University Security Unit.
